

**I KNOW MANY OF YOU. IT HAS BEEN MY HONOR AND MY PRIVILEGE TO FOSTER YOUR CREATIVE GROWTH AND DEVELOPMENT.** I hope I've taught you to bring greatness into the world in everything you do. I hope I've empowered you to know you matter, you are part of a community. We are legion. We are artists.

**DO NOT LET TODAY'S ACTIONS CHANGE THAT. MORE THAN EVER, YOUR CREATIVITY IS THE LIGHT THAT IS NEEDED BY SO MANY TODAY.**

**IF YOU ARE A DREAMER. I WILL HELP YOU,** we will help you. You are not alone. There are millions of us helping you in this fight. I personally pledge, if you need a shoulder to cry on, I'm here. If you need someone to listen, if you need safety, I am here. When it's time for action...I will be there.

**I WILL ALWAYS BE THERE...**we are nothing without you.
